SHIRMHER SHALL AS WATER

The Interview! [interviu] (¡La entrevista!)

Si tú has decidido aprender el inglés seriamente, "La entrevista" es para ti Aqui te muestro cómo trabaja. Traza un formulario similar al ejemplo que se encuentra debajo. Después, simplemente prepara tres preguntas que se usan comúnmente y escríbelas para encabezar las tres columnas al lado derecho de aquélla titulada *Names*. Luego, ponte en un lugar donde puedas entrevistar fácilmente a personas que hablan el inglés. Escribe los nombres completos de las personas entrevistadas bajo la columna encabezada *Names*. Para conseguir los nombres, usa la primera pregunta del formulario. Coloca las respuestas en los espacios debajo de cada pregunta,

Names (Los nombres)	What is your name? (¿Como te flamas?)	How are you? (¿Como estas?)	Where are you from? (¿De dónde eres!)
Mary Smith	Mary	Eme	California
Robert Brown			
John Jones			_

Avisos!

- Calanto mas ingles sepas, más difíciles seran fus preguntas.
 Pero no necesitas esforzarte por ahora
- Comienza despacio.
 Practica primero con personas conocidas.
- Una entrevista de sólo tres preguntas como ésta te tomará menos de dos minutos, por lo tanto, no podras decir que estas muy ocupado para hacerta
- Si se te dificulta entender, haz que las personas escriban sus propias respuestas.
- Sé amistoso. Al acercarte a personas extrañas ofrece estas frases como explicación.

What Are You Doing? uát ar iú dúin] (¿Qué estás haciendo?)

Ahora que entendemos la importancia de las palabras de acción, vamos a aprender una forma sencilla para usarlas en conversaciones prácticas.

Las tres letras **ing** al final de una palabra casi siempre nos dicen que una acción esta pasando en el momento presente-

I'm working. Estoy trabajando. *John is speaking.* Juan está hablando. They're dancing. Están bailando.

Lo unico que necesitas para usar esta terminación es una palabra de acción. Mira los ejemplos siguientes:

eas conter eating comiendo play jugar playing jugando learn aprender

learning aprendiendo

Emperemos con ann, is y arre para hacer oraciones completas:

Lam eating. Yo estoy comiendo. She is playing. Ella está jugando. We are learning. Nosotros estamos aprendiendo, He's dancing. El está badando. They are studying. Ellos están estudiando.

42. ¡APUESTO QUE SÉ PUEDES! (

Traduce y practica esta conversación con fus amigos! Cambia las palabras, si quieres

Where's Mary?

She is working. She's cleaning tables and washing dishes at the Italian restaurant.

Aliora, traduce y lee en voz alta-

Bill and Cecilia are kissing in the car. My father isn't listening to the stereo.

S Avisos!

- Tal vez has notado que at usar -ing hay unos cambios en la forma escrita de algunas palabras de acción: dance, dancing Pero no te preocupes por eso; la pronunciación de las palabras de acción es lo más importante por ahora
- Recuerda que en inglés siempre necesitas incluir las palabras personales:

Are you working at the market?

She's not running in the park.

They are not speaking Stranish

R.M.V.P. (Repetir, Murmurar, Visualizar y Pausar)

Mientras tu cadena de palabras en inglés va creciendo, vas a necesitar técnicas que te ayudarán a superar esos pequeños obstáculos que entorpecen la comunicación. En vez de abandonar una buena conversación, trata el metodo **R.M.V.P.—Repeat** (repetir), *Mumble* (murmurar), *Visualize* (visualizar) y *Pause* (pausar) Este sistema es excelente para mantener una línea de comunicación, así que apréndelo ahora mismo.

Repeat! [ripit] (¡Repetir!)

Repetir lo que escuchas es una de las mejores maneras de adquirir un idioma mientras conversas. Escuchar y decir las palabras nuevas mas de una vez (en vez de no hacer nada), hara que comprendas y bables mucho más rápido,

Understand? Yes, | understand!

Mumble! [mámbol] (¡Murmurar!)

Así de ridiculo como parece, mientras estés aprendiendo el inglés, una manera segura de mantener fu parte en una conversación es murmurar o balbucear aquellas palabras, o parte de ellas, de las cuales fu no estas seguro. Es preferible combinar el ingles con Spanglish y hasta con fus propias "creaciones" de palabras que darte por vencido a mitad de una conversación.

Visualize! [víschualais] (¡Visualizar!)

Al escuchar o al hablar, trata de visualizar la palabra desconocida en su forma escrita. Ya que en inglés las palabras no se pronuncian de la misma manera como se escriben, te sera mas facil imaginarte la palabra como se escribiría en español

Measure It! [méllur et] (¡Mídelo!)

Generalmente, no se usa el sistema métrico en los Estados Unidos. Así que tendrás que aprender la manera mas común de dicho país para medir las cosas. Habla con tus amigos de los significados de las siguientes palabras y practicalas cuando salgas de compras. También nota las abreviaturas de las medidas:

gatton |galon| gal. quart [cuárt] qt pint [páint] pl. pound [paund] lb ounce auns oz. miles |mails| mi. yards liards yd. feet [fit] /1. inches [mches] in.

Avisos!

- ¡Fijate cómo tú puedes traducir algunas de las palabras de medidas! Otras te pueden resultar más dificiles: mile (milla), foot (pie); inch (pulgada); pound (libra)
- Aprende la diferencia entre los dos sistemas! Por ejemplo:

1 kilómetro = 5/8 mi. 1 kilogramo=2,21bs.

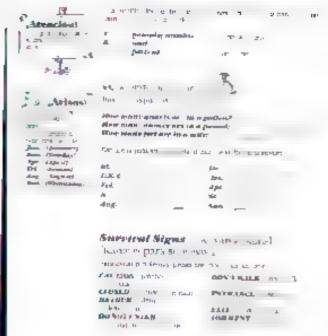

Otras abreviaturas útiles

En inglés, encontraras numerosas abbreviations [abriviéchons], es decir, las formas cortas para escribir ciertas palabras. He aquí varios ejemplos de las más comunes:

apt.	apartment	apartamento
etc.	et cetera	electera
bt.	beight	estatura
